choose the level of coverage

with interior Stain Sentry®

Paint protection against: acid rain, bird droppings, tree sap, insect damage, road de-icing agents, hard water etching and uv damage.

Interior protection against: consumable foods, chewing gum, make-up, crayons, food dyes, blood, urine stains, pet waste, clothing dye, ink and vomit.

Interior protection from germs, viruses and odors in the ventilation system, seating cabin and cargo areas.

Protection from surface abrasions and pitting, reduces brake dust buildup and promotes easy clean-up.

point protection when dings occur

Protects the painted surface of the vehicle when minor dents occur.

Provides hydrophobic protection against rain and environmental elements. Improves headlight protection from fading and yellowing. Both protections improve vision clarity.
