TOTAL	100.00%

KEEP OUT OF REACH OF CHILDREN DANGER

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on skin or clothing:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If swallowed:** Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. **If inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage.

Product Specifications

Color: Green

Fragrance: Pleasant

Use Dilution for Quarts:

1 0.0993oz ChemPac = 1 Quart

Use Dilution for Mop Buckets:

1 0.794oz ChemPac = 2 Gallons

pH: NA

Phosphates: None

Biodegradability: Complete

Solubility in Water: Complete

Packaged:

100/tub for quarts

50/tub for mop buckets

DIRECTIONS FOR USE

This product is a phosphate-free formulation designed to provide effective cleaning and deodorizing for hospitals, nursing homes, hotels, schools, and restaurants where housekeeping is of prime importance.

This product, when used as directed, is formulated to clean and deodorize floors, walls, metal surfaces, stainless steel surfaces, glazed porcelain, glazed ceramic tile, plastic surfaces, bathrooms, shower stalls, bathtubs, and cabinets.

This product deodorizes those areas which generally are hard to keep fresh smelling, such as garbage storage areas, empty garbage bins and cans, toilet bowls, and other areas which are prone to odors.

This product is formulated to a neutral pH and will not dull high-gloss floor finishes with repeated use.

This product is a water-soluble packet. Follow label dilution instructions by dropping packet directly into water. Do not remove packets before use. Store in cool dry place. Do not handle packets with wet hands.

GENERAL CLEANING & DEODORIZATION – Apply product to soiled area with a mop, cloth, sponge, or hand pump trigger sprayer. Product must be diluted as indicated in the MIXING INSTRUCTIONS section. Thoroughly wet soiled surface and scrub as necessary. Rinse surface with potable water and wipe dry with a dry paper towel or lint-free cloth.

DISINFECTION - To disinfect inanimate, hard, non-porous surfaces use the appropriate size premeasured packet.

Packet Size	Net Weight	Number of Packets	Dilution
Small	0.0993 ounce	1	Quart
Large	0.794 ounce	1	2 gallons

Stir gently to form a uniform solution. Apply solution with a mop, cloth, sponge, or hand pump trigger sprayer so as to wet all surfaces thoroughly. Allow to remain wet for 10 minutes, then remove excess liquid.

For heavily soiled areas, a pre-cleaning step is required. Prepare a fresh solution for each use.

TO CLEAN & DEODORIZE TOILET BOWLS: Remove gross filth or soils from surfaces with bowl brush prior to disinfection. Remove or expel over the inner trap the residual bowl water. Make a dilute solution by dissolving one small packet (0.0993 ounce) in one quart of water, or one large packet (0.794 ounce) in two gallons of water. Apply use solution with a mop, cloth, sponge, or hand pump trigger sprayer, so as to wet all surfaces thoroughly. Allow to remain wet for 10 minutes, then remove excess liquid. Brush or swab the bowl completely, using a scrub brush or toilet mop, making sure to get under the rim. Let stand for 10 minutes and flush.

TO CLEAN AND DEODORIZE RESTAURANT FOOD CONTACT SURFACES: countertops, appliances, tables, add the appropriate size premeasured packet as indicated in the MIXING INSTRUCTIONS section. Apply solution with a cloth, sponge, or hand pump trigger sprayer so as to wet all surfaces thoroughly. Allow the surface to remain wet for 10 minutes, then remove excess liquid and rinse the surface with potable water. This product cannot be used to clean the following food contact surfaces: utensils, glassware and dishes.

For institutional and industrial use only. Keep from freezing. Store in a cool, dry place. Never put wet hands in container. Always close container after use. Avoid excessive handling, use packet immediately.

KEEP OUT OF REACH OF CHILDREN

DANGER

CORROSIVE. Causes skin burns and irreversible eye damage.
