

# Episuds Laundry Detergent

EC571

*A liquid detergent with outstanding cleaning and brightening power. Multiple optical brightening system provides superior results on all washable fabrics. Low sudsing formula removes stubborn soil and prevents re-depositon. It contains no harsh alkalis, rinses easliy and is phosphate free.*

## Where To Use

Colleges	Homes	Restaurants
Country Clubs	Hospitals	
Health Clubs	Nursing Homes	

## Dilutions & Directions:

For medium and small laundry industrial washers:

2 ½ oz. per 20 lbs. Dry Fabric wt.

3-4 oz. per 35 lbs. Dry Fabric wt.

4-5 oz. per 50 lbs. Dry Fabric wt.

9-10 oz. per 1000 lbs. Dry Fabric wt.

These are approximate suggestions and should be varied depending on soil conditions. To remove greasy and difficult dirt, pour small amount of detergent directly on area. Rub firmly then wash regular manner.
