

Orange Action

Citrus Cleaner & Degreaser

General Purpose

Description

This product is concentrated, water soluble, nonflammable, detergent and degreaser, which incorporates natural solvents and advanced concepts in chemical soil removal. It will effectively remove a wide variety of soils common to industrial, institutional, and commercial facilities including accumulations of grease, oil, dirt, soot, smoke, food, and light rust stains. This product handles grease and grime quickly while assuring the removal of buildup not cleaned by normal cleaning procedures. This product is safe on most surfaces.

Directions for Use

When cleaning heavy grease and grime from engines, metal, floors or equipment and paint removal is desired, this product should be used at full strength. When cleaning heavy grease and grime from engines, metal, floors or equipment where paint removal is not desired, this product should be first diluted with water. Refer to label for proper dilution ratios. This product may be diluted as little as 1 ounce per gallon for light duty jobs such as cleaning walls and floors, or presoaking parts. When using this product, make sure entire area is covered by water to ensure complete contact with solution.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
