

Premium Extraction Liquid

Extraction Liquid Detergent

Carpet Care

Description

A pleasantly scented organic carpet detergent, which is designed to be equally effective in hot or cold water. This heavy-duty liquid formulation is for use in standard water extraction carpet cleaning equipment. It breaks down tough dirt and grime, and can also be used in truck-mounted equipment. Contains complex surfactants and organic solvents, which make it effective on natural and synthetic fibers. It is highly concentrated for effective cleaning in hotels, motels, schools, hospitals, and homes.

Premium Extraction Liquid has been awarded the Carpet and Rug Institute Seal of Approval.

Directions for Use

PORTABLE USE: Mix 2 - 4 ounces per 5 gallons of water

TRUCK MOUNT USE: Mix 1 quart (32 ounces) into 5 gallons of water to make truck mount concentrate for use in chemical injection system. Meter at 2-4 gallons per hour.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
