

SUPER ABSORB/VOMIT CONTROL

DESCRIPTION

This product is a quick and sanitary method to absorb unpleasant liquids. Super Absorb consist of high capacity inert powder for absorbing vomit, blood, oil, ink and other liquid spills from fabrics and hard surfaces.

INSTRUCTIONS

1. Wear disposable rubber gloves and other protective clothing as required.
2. Sprinkle Super Absorb over spill until completely covered. NOTE: For clean-up of solvents, cover spill with water, then cover entire spill with Super Absorb. Handle with care and avoid any contact with flames, as resultant material may be flammable.
3. When liquid has congealed remove with a dustpan, whiskbroom, or spatula. Dispose of properly.
4. Resultant material may contain biological hazardous waste and should be treated as such.
5. After disposing of waste properly, wash hands thoroughly. Use antiseptic to kill any bacteria if biological waste was involved.
