

*A multi-purpose, super-concentrated, long lasting laundry detergent designed for use with all soil loads and water conditions. For all types of automatic washers. Excellent for washing clothes including: uniforms, work clothes, aprons, linens and bedding. Safe for use on all washable fabrics including: cottons, nylons, polyesters, woolens, acrylic fabrics. Biodegradable and Phosphate free*

### Where To Use

Colleges	Homes	Restaurants
Country Clubs	Hospitals	
Health Clubs	Nursing Homes	

### Dilutions & Directions:

2 ½ oz. per 20 lbs. Dry Fabric wt.

5 oz. per 35 LBS. Dry Fabric wt.

8 oz. per 60 LBS. Dry Fabric wt.

These are approximate suggestions and should be varied depending on soil conditions. To remove greasy and difficult dirt, pour small amount of detergent directly on area. Rub firmly then wash in regular manner.
