

Carpet Care

Oriental Rug Shampoo

High Foam Shampoo

Description

This neutral pH shampoo is designed to safely clean wool rugs, carpet and other specialty textiles. It provides a thorough cleaning without using harsh chemicals that can damage fragile natural fibers. This product can be used in rotary, rotary extraction, dry foam or hand cleaning methods.

Directions for Use

Prepare a ready-to-use cleaning solution by mixing 4-8 ounces of shampoo to one gallon of water

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Neutral pH
- Safe on wool
- Emulsifies grease and oil
- Prevents re-deposition of soil
- Rinses freely
- 100% biodegradable
