

Prochoice 2000

Sanitizing Extraction Liquid

EPA Registration # 6836-108-61524

Carpet Care

Description

This product is a low foaming carpet shampoo formulated for use with extraction and carpet steam cleaning equipment. This product contains "twin chain" quaternary ammonium compounds to reduce the growth of gram negative and gram-positive odor forming bacteria. This product is fortified with odor counteractants to neutralize unpleasant malodors. Recommended for use on washable synthetic fibers, but not recommended for use on wool carpets. This product removes greasy soil, leaves no residue to promote re-soiling, and eliminates soil re-deposition to vacuum pick-up tanks.

Directions for Use

To clean, sanitize, and deodorize carpets; vacuum carpet before cleaning. Mix two (2) ounces of this product per gallon of water. Inject and extract as you would the other steam cleaning shampoos. For rotary floor machines, mix four (4) ounces of this product per gallon, spray on carpet at a rate of 200-300 square feet per gallon.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- One step carpet extraction, sanitizer and deodorizer
- EPA Registered
- Pleasant fragrance
- Effectively neutralizes foul odors
- Low foaming
