

Carpet Care

Upholstery Cleaner

Upholstery Extraction Detergent

Description

This modern, controlled suds, formula is designed to act quickly to break down stubborn dirt, grease and oil. It also provides a thorough cleaning combination while leaving a pleasant scent. This liquid, organic, upholstery cleaner is designed to be equally effective in hot or cold water. This biodegradable liquid contains fast acting cleaning agents and organic solvents, which are effective on natural and synthetic fibers. It is highly concentrated for effective cleaning in hotels, motels, schools, hospitals, and homes.

Directions for Use

Dilute product 10 to 1 and use in a mister employing a trigger sprayer. Lightly mist problem areas and then extract as normal. If any stains persist, spray stained area, brush with a hand brush and then blot with a clean towel.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.
