

Hi Chlor Sanitizer

Low Temp Dish Machine Sanitizer

Food Service

Description

This is a multipurpose, heavy-duty industrial bleach concentrate, and is the preferred sanitizer for low temp dish machines. **It contains 12.5% available Chlorine.** It is safe to use for all your industrial cleaning needs. Bleach has a long and well-established history of efficacy in food processing, food service, general sanitation and laundry use.

Directions for Use

Machine Dishwashing Terminal Rinse Sanitation: Adjust automatic dispensing equipment to provide sanitizing use solution of 100 to 200 ppm available chlorine by weight according to public health Authorities. Use solution should be tested frequently with suitable chlorine test kit to ascertain that the rinsate strength does not fall below 50 ppm. **Food or Dairy Processing Equipment:** Clean and rinse equipment in normal manner. Wet all surfaces thoroughly with a Sodium Hypochlorite solution as directed by USDA guidelines. Allow to air dry. Do not rinse surface prior to processing food. Do not soak overnight. **Note:** Test this and all chlorine products with a chlorine test kit for proper strength prior to use as a sanitizing solution, **normal chlorine concentration required is 200 ppm.**

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- Concentrated
- Multipurpose
- EPA Registered Sanitizer
- Low use cost, economical sanitizer
- Rinses Freely
- Non-flammable

Specifications

Appearance:	Yellow Liquid
Odor:	Chlorine
Specific gravity:	1.2
PH:	13+
Detergency:	Excellent
USDA Approved	Yes

Dilution

1 ounce Bleach / 40 gallons Water.....	25ppm chlorine
1 ounce Bleach / 20 gallons Water.....	50ppm chlorine
1 ounce Bleach / 10 gallons Water.....	100ppm chlorine
1 ounce Bleach / 5 gallons Water.....	200ppm chlorine
3 ounce Bleach / 5 gallons Water.....	600ppm chlorine

Available Sizes

Pail / 5 gallon : Item # 200705

Drum / 55 gallon : Item # 200706
