Oxy Power Plus

Peroxide Powered Multi-Purpose Cleaner

Description

Oxy Power Plus is a unique blend of surfactants and Alkaline builders combined with Hydrogen Peroxide. What makes this product special is that we have been able to stabilize the formula at a higher pH of 8.5 which makes this product a superior cleaner to other peroxide based cleaners on the market. The backbone of this product is Hydrogen Peroxide which is a powerful oxidizer that react with organic soils to form effervescence bubbles, which actually lifts dirt away from the surface so it can be rinsed away with minimal scrubbing. This product will effectively clean any water safe surface such as windows, mirrors, counters, marble, urinals, whiteboards, floors, walls, restrooms, kitchens, tile and grout, and more.

Directions for Use

Glass Cleaner: Dilute at 1:128 (1 oz.) for everyday glass and mirror cleaning. Spray surface and wipe with a lint free cloth.
Light Duty Cleaning: Dilute at 1:64 (2 oz. /gal.) for everyday light duty cleaning. Spray surface and wipe with sponge, brush, mop or other cleaning cloth.
Medium to Heavy Duty Cleaning: Dilute at 1:32 (4 oz. /gal.) of water. Spray surface and wipe with sponge, brush, mop or other cleaning cloth.
Floor Cleaning Using Mop and Bucket: For daily mopping, dilute 1:128 (1 oz. /gal.). Fill bucket. Mop with OXY POWER PLUS All-Purpose Cleaner. Pick up soil and excess cleaner with clean mop. Rinse mops frequently and change solution as needed.

Safety Cautions

- Keep out of reach of children
- Prior to using this or any cleaning product, make sure employees read and understand the hazard information found on the product label and Material Safety Data Sheet (MSDS). The label and MSDS will also provide information on handling precautions, protective equipment and first aid instructions which might be appropriate for this product.

Features & Benefits

- **Formulated to meet or surpass green chemistry standards**
- Can handle 95% of your cleaning needs
- Bubbling Peroxide cleans with Effervescence
- Higher pH allows for better degreasing capabilities
- Deodorizes as it cleans, oxidizes source of the odor
- Virtually residue free reduces chance of resoiling
- Streak free cleaning for high gloss surfaces such as windows, mirrors, and countertops.

Specifications

Appearance:	Clear Liquid
Odor:	Citrus
Specific gravity:	1.02 – 1.06
PH:	8 – 8.5
Biodegradable:	Yes
Detergency:	Excellent

Dilution

Glass Cleaner.....	1:128 (1 ounce / Gallon)
Light Soil.....	1:64 (2 ounces / Gallon)
Medium to Heavy Soil.....	1:32 (4 ounces / Gallon)

Available Sizes

- Case / 4x1 gallon : Item # 134004
- Pail / 5 gallon : Item # 134005
- Drum / 55 gallon : Item # 134006
